

Testing OCGtools and fancytooltips

Copyright © 2013

Last Revision Date: June 28, 2013

- Testing [fancytooltips](#). (Does the bigger picture of little golf player appear when moving mouse to the blue text?)
- Testing [ocgtools](#). Does it work? (Click the blue text or move mouse to the last letter)
- Testing `\ocgpicture` – does the bigger image appear when clicking the smaller one?
